Game Table

If you should require a larger Game Table, please note there are two leaves that are stored under the Master Bedroom's bed. We have found it useful when putting the larger puzzles together.

Upon your departure, please return the table leaves back to their original storage.

Book Library

For those vacation readers, please help yourself to the paperback books in this cabinet, too. Please leave a paperback book behind (in its place) if you should require additional time to finish reading.

If you should find yourself needing to finish one of the hardback books that are displayed in the bookshelf beside the fireplace, please return upon your next visit. We would appreciate it if you would leave a note behind that states you borrowed one of these, with the respective title. (It helps me keep a complete library collection of certain titles and authors.)

We hope you enjoy your time at our vacation home!
